

## Photo Book Production Guide

Preserve and share memories or say thank you with a beautiful book.

We can do this for you. We'll ask a few questions (see below), then take care of the rest.

Price = Our fee + Blurb costs + sales tax (The fee is typically \$65, but depends on complexity)

You can visit Blurb online, refine your thoughts about what you want. While you're online at Blurb, feel free to build and order the book yourself, with no input or charge from us.
